

FOUNDATION FOR
RURAL SERVICE

2027

FRS SCHOLARSHIP PROGRAM

Since 1994, the Foundation for Rural Service (FRS) has helped communities in rural areas that receive telephone and broadband service from members of NTCA—The Rural Broadband Association. We believe that the future of our rural communities is intrinsically linked to the future of our nation as a whole. FRS has awarded over \$2 million in scholarships since its inception, empowering students from rural America to advance their communities with invaluable skill sets and experiences.

FRS annually awards scholarships to rural students for their first year of 2-year or 4-year college, or vocational school. FRS will also award a scholarship to a non-traditional student. This includes individuals who have not recently graduated from high school but are now pursuing college or vocational school while balancing work, as well as returning undergraduate students who have taken a break from their studies.

HOW TO APPLY

- **Identify the NTCA Member in your community.** It is likely your telephone or internet provider
- **Visit frs.org/programs/youth-programs/scholarships** to find a link to the application platform, Kaleidoscope. You must access the application via the Kaleidoscope link on the FRS website
- **Apply by February 15, 2027 11:59 p.m. EST**
- **One application qualifies you for all available scholarships**
